INSTRUCTIONS TO FORM LLC-1052

The application is a Commission-prescribed form that must be filed with the Commission by a foreign limited liability company ("LLC") in order to obtain a certificate of registration to transact business in Virginia. It must be completed in the English language, typewritten or printed in black, legible and reproducible, and presented on uniformly white, opaque paper, free of visible watermarks and background logos. See § 13.1-1052 of the Code of Virginia. Visit www.scc.virginia.gov/clk/for_llc.aspx to complete a pdf-fillable version.

STEP 1: Obtain a **certified or otherwise authenticated copy** of the LLC's articles of organization or other constituent documents, and all amendments and corrections thereto, filed in the foreign LLC's state or other jurisdiction of organization, **authenticated within the past 12 months** by the Secretary of State or other public official having custody of limited liability company records in the state or other jurisdiction of its organization. The certificate of the public custodian of limited liability company records must indicate that each document is a "**true and correct copy**" of the official records, or words to that effect. **These certified documents must be submitted with the application.** See § 13.1-1052 of the Code of Virginia. (Note: A certificate of existence, fact, or good standing is not sufficient, acceptable, or needed.)

Name: Set forth the name of the LLC exactly as it appears in its organizational instrument, as amended, without alteration or abbreviation.

If the limited liability company's name does not contain the abbreviation L.C., LC, L.L.C. or LLC, or the words limited company or limited liability company, it must adopt a designated name for use in Virginia that adds one of the foregoing to its name.

The LLC's name or, if its name is not available, its designated name must be distinguishable upon the records of the Commission. See § 13.1-1012 of the Code of Virginia. To check the availability of a LLC name or a designated name, visit <https://sccefile.scc.virginia.gov/NameAvailability> or contact the Clerk's Office at (804) 371-9733 or toll-free in Virginia, 1-866-722-2551.

Prior registration: If the LLC was previously authorized or registered to transact business in Virginia as a foreign corporation, limited liability company, business trust, limited partnership or registered limited liability partnership, with respect to every such prior authorization or registration, set forth **on an attachment** the name of the entity, the entity's type, the state or other jurisdiction of incorporation, organization or formation, and the identification number that was issued to the entity by the Commission.

The **principal office** is the office where the principal executive offices of the limited liability company are located. See § 13.1-1002 of the Code of Virginia. The address of the principal office must include a street and number if one is associated with the principal office's location. A rural route and box number may only be used if no street address is associated with the principal office's location. A post office box is not acceptable given the aforementioned statutory provision.

The LLC may not serve as its own **registered agent**. The LLC may have only one registered agent in Virginia.

The **registered office** must be identical to the business office of the registered agent, and the address of the registered office must include a street and number if one is associated with the registered office's location. See § 13.1-1015 of the Code of Virginia. A rural route and box number may only be used if no street address is associated with the registered office's location. Set forth the name of the county or independent city in which the registered office is physically located. When the registered office address lists a town, the application needs to list the county in which the town is located.

(Note: The title "**owner**" is not acceptable.)

IMPORTANT: The printed name and title of the person who signs must be set forth next to the signature. An individual signing on behalf of a business entity that is (i) a manager or member of the LLC, or (ii) authorized to sign post-formation documents on behalf of the LLC, **must set forth** the business entity's name, the capacity in which the business entity is signing on behalf of the LLC, the individual's printed name, and the capacity in which he or she is signing on behalf of the business entity. See § 13.1-1003 of the Code of Virginia.

It is a Class 1 misdemeanor for any person to sign a document he or she knows is false in any material respect with intent that the document be delivered to the Commission for filing. See § 13.1-1006 of the Code of Virginia.

Submit the signed application and the original certified copy of the limited liability company's formation instrument, as amended, to the Clerk of the State Corporation Commission, P.O. Box 1197, Richmond, Virginia 23218-1197, (Street address: 1300 East Main Street, Tyler Building, 1st Floor, Richmond, Virginia 23219), along with a check for the filing fee in the amount of **\$100.00**, payable to the State Corporation Commission. **DO NOT SEND CASH.** If you have any questions, contact the Clerk's Office at (804) 371-9733 or toll-free in Virginia, 1-866-722-2551.
